

Yiddish Summer Weimar 2025 – Conditions of participation

Dear Participant! Please read this carefully from start to finish. It contains essential information that you need to know.

Yiddish Summer Weimar (YSW) is one of the world's leading summer programs for the study, creation, and presentation of traditional and contemporary Yiddish culture. For five weeks each summer, we offer workshops, concerts, and jam sessions in Weimar and other places in Thuringia. We're very happy to welcome you to our 25th anniversary celebration! Together, we want to make Yiddish Summer an unforgettable time for everyone – including you!

We are a learning community in which the diversity of our participants isn't just respected but celebrated: our differences are our strengths! Learning means trying new things and taking risks. To be able to do that, we must be able to feel safe. In our work and in all our workshops and joint activities, we strive for a safe and respectful environment. As part of this process, we've developed an awareness concept. You can find more information about this at the end of the conditions of participation (under 14.).

- Paypal

In certain exceptional cases, other payment options may be requested by sending an email to registration@othermusicacademy.eu. 2.1. Right to cancel this contract

You have the right to cancel this contract within fourteen days without giving any reason. The cancellation period is fourteen days from the day the contract was concluded.

To exercise this right, you must notify us (Other Music Academy e.V.) of your decision to cancel the contract by submitting a clear statement sent by email or by post. In order to cancel the contract, it is sufficient that you send your written notification before the cancellation period has ended.

Consequences of the cancellation

If you cancel this contract, we will reimburse you for all payments we have received from you without delay, no later than fourteen days from the day on which we received the notification of your cancellation. For the reimbursement, we will generally use the same means of payment that you used for the original transaction, unless expressly agreed otherwise with you; in no case will you be charged for this reimbursement.

If the workshop has already started during the contract cancellation period and you exercise your right to cancel within that period, we will retain the fees for the workshop days that have already elapsed up to the moment of your revocation.

3. Tuition

3.1. Languages of Instruction

The workshops will be taught primarily in English, German, and Yiddish, according to each teacher's preference and ability.

3.2. Daily schedule

Please refer to the specific workshop descriptions for the daily schedule. Concerts, jam sessions, and other events that supplement the workshops take place in the evenings. You'll get more information about how the workshop is organized in advance. Changes to the daily schedule may occur during the workshop itself.

3.3. Workshop levels

Please read the workshop descriptions carefully before deciding whether to register for an introductory, intermediate, or advanced workshop. If you find yourself in a workshop that is too advanced for your actual level, the teachers may recommend an alternative workshop in which you would have a better learning experience, if such an alternative is practical.

3.4 Your children in the workshop

Yiddish Summer Weimar workshops are "serious fun" – meaning that they are relaxed and friendly, but they also require serious concentration and focus from the participants. Parents and guardians are welcome to bring younger children to the workshops to observe, but they may not create distractions. Otherwise, we will ask the adults to move to another space with the child. Thank you for your understanding!

3.5. Infectious diseases

The well-being of everyone in our YSW community remains a high priority for us. We therefore respectfully request that anyone who suspects that they may have a contagious illness use common sense and avoid contact with other participants until they feel well again. Thank you for your understanding!

4. Concerts

YSW 2025 concerts in Weimar will take place at different venues. As a workshop participant, you are entitled to one free ticket for a YSW concert in Weimar. You can pick it up at the Infopoint. Please note that the number of tickets is limited, so we advise you to get your ticket as soon as you arrive in Weimar. Please also pay attention to the opening hours of the Infopoint. For all other concerts that take place in Weimar during the time of your workshop, you may purchase a discounted ticket.

5. Accommodations

Each participant is responsible for their own accommodation and meal expenses. For more information, including a list of hotels, hostels and pensions with whom we have partnerships, see the link "[Accommodations](#)".

6. Registration Cancellation

Registrations may be canceled only **until June 1, 2025**. In such cases, Other Music Academy e.V. will refund the fee paid minus 150 €. The remaining sum will be transferred to your account within 4 weeks. Cancellations after June 1, 2025 will not receive a refund. We recommend that you take out travel and seminar cancellation insurance in order to be reimbursed for travel and course costs in the event that you are unable to attend the workshop (please note the different conditions of the insurers).

For a workshop to take place, a minimum number of registrations must be received by June 1, 2025. If this number is not reached, Other Music Academy e.V. reserves the right to cancel the workshop. In such a case, the entire registration fee will be transferred back to your account within 4 weeks.

7. Scholarships for course fee

Other Music Academy e.V. strives to award one or two scholarships for each workshop. These are intended to make it possible for people to participate who would otherwise be unable to do so for financial reasons. Scholarships cover part of the cost of the workshop tuition. Scholarships are given exclusively for the time period of the workshop in which the recipient is registered. Receiving a scholarship for one workshop does not entitle that participant to scholarships for any additional workshops. Anyone is eligible to apply for a scholarship. Since the scholarship is intended for participants with financial need, Other Music Academy e.V. requires some knowledge of the financial situation of the applicant. Therefore, please send us an explanatory letter of motivation (max. 1 page, approx. 1800 characters incl. spaces) in which you describe your reasons for applying and also include a section describing your financial situation (we do not require proof of income, bank statements, or other sensitive data).

Scholarships are awarded according to the budget of Other Music Academy e.V. and the financial situation of the applicant. The application must be received in the Other Music Academy e.V. office no later than **June 1st, 2025**. A submitted scholarship application entails no legal claim to a scholarship award. The board of Other Music Academy e.V. makes all decisions concerning scholarships. Applicants will be notified by **June 10th, 2025**. Your application, as well as all questions concerning scholarship awards, can be sent to registration@othermusicacademy.eu.

12. Place of jurisdiction

The place of jurisdiction is Weimar.

13. Severability clause

Should one or more regulations in the conditions of participation become ineffective, all other regulations remain unaffected.

14. The Yiddish Summer Weimar Awareness Concept

Awareness means consciousness. All people who participate in our events are invited to familiarize themselves with and become aware of our basic interpersonal rules.

As mentioned above, we are a learning community in which the diversity of our participants isn't just respected but celebrated: our differences are our strengths! Learning means trying new things and taking risks. To be able to do that, we must be able to feel safe. In the YSW environment, all kinds of people can learn from each other by doing things together that are both serious and fun. It's all of our differences that make that experience so rich and fascinating. But only if we feel safe showing each other who we are. So, when you engage with someone, always try to recognize and respect their boundaries. Try to be aware of how they communicate those boundaries and try to communicate your own boundaries as clearly as you can.

The same diversity that we welcome can also lead to misunderstandings. Creating a space where we all feel safe to be ourselves isn't as easy as it might seem. If you feel that you've been disrespected or threatened, intentionally or not, or if someone else feels that you've acted that way towards them, we have a team of people ready to try to resolve the conflict. If you experience a harmful interaction and/or discrimination within the OMA and you would like support, please contact us!

We have set up an Awareness Structure to support you in those cases. This structure has three parts:

- there is an Awareness room (in the Other Music Academy, Ernst-Kohl-Str. 23, 99423 Weimar, and in our workshop venues). Here, you can find a calm space to breathe, relax, and drink a cup of tea. If you want, you can bring a friend to talk things through or just to keep you company.
- at our larger events, you'll see people who are recognizable as members of the Awareness Team. You can talk to them about what's happened. They will listen to you and offer their support.
- you can contact our Awareness team via awareness@othermusicacademy.eu at all times. We will support you in further conversations and aim for conflict resolution.

PLEASE NOTE:

The abuse of legal or illegal substances, including alcohol and drugs, is not permitted. YSW does not tolerate behavior influenced by alcohol or drugs that result in harm to the consumer or to others.

The German legal code applies to legal uses of alcohol, drugs, and other controlled substances.

If an incident has been reported to the police, the case is subject to local jurisdiction, over which YSW has no influence.

Thank you for entering the OMA community! And thank you for helping create an open and caring space for all of us to expand the horizons of our knowledge and life experiences!
